

Rotating Pulverisers

Rotating Pulverisers

Fully rotational dedicated pulveriser with it's new streamlined dynamic shape to manipulate easier into tight areas. New design to reduce downtime. Whilst a secondary phase demolition pro, also very effective on primary. This generation is a new experience!

Product features:

- 360° endless rotation
- Replaceable wear parts
- Speed valve - optional
- Cylinder protection
- Higher power

SALES

With a large range of reliable quality attachments and products and expert opinion to help find the best solution for you.

HIRE

Highly maintained, productive, powerful and reliable equipment available for hire now with full commission service.

REPAIRS

Highly equipped workshop with experienced technicians able to repair any attachment.

PARTS

Vast assortment of spare parts held in stock for immediate dispatch, reducing your potentially damaging downtime.

Our Service

When price is important, cost is more important and the maintenance and running expenses of the product are key to the profitability of the project. Mount Machinery understand this better than any other in the industry and have an accumulating in-depth knowledge, experience and expertise in working on machines every day.

Working with these ever advancing excavators, Mount Machinery has learnt to navigate the entire minefield of electronic/hydraulic auxiliary systems on diverse makes, models and sizes of excavator to keep your machines at peak performance for as little as possible so that you can concentrate on the job knowing you're in safe hands.

We're trusted by some of the biggest names in the construction industry, right across the UK. Whether you're looking to buy, hire, or have your existing excavator attachments repaired or serviced, there's one thing that's certain.

You'll experience a responsive, 'can-do' attitude, and simple, honest, on-time quality service. It's what makes Mount Machinery the preferred supplier of choice for hundreds of companies nationwide.

We are the 'go to' advisors in the excavator attachment industry, the connection between the excavator attachment manufacturers and the contractors on-site because of our long standing experience and deep passion for innovation.

We strive to provide the service that far exceeds the customers' expectations!
